"The first step in this divine place, Al-Aaizah, is transformative in itself. The welcoming environment, strong sense of spirituality and barakah is felt seeping deep into your soul. Al-Aaizah has, no doubt, become my second home."

– Student, Alimah Program

Our Vision

Narrated by Abdullah b. Amr رضي الله عنه in Sahih Muslim, the Messenger ﷺ said: "The whole world is a provision, and the best being of benefit in the world is the pious woman."

The Muslim woman is empowered and Al-Aaizah aims to inspire her further through study of the sacred Islamic texts, tarbiyah, tazkiya and islah, so she can realize her potential and be an agent of change for her family, community and the world at large. The ripple effect of Muslim women as role models will strengthen Islam in the world, with the ultimate goal of fortifying the Ummah, making it powerful and respected, and collecting for all of us a magnificent treasure of reward in the Hereafter, In'sha'Allah.
